

NATIVE MIX 2

Short Native Grass Mix

This mix creates a beautiful short to medium grass prairie. These native grasses are deeply rooted, low maintenance and hardy. This mix does best in full sun and drier soil. During the fall and winter these grasses will be a mix of red, gold and purple.

Native Mix 2 *PLUS* includes 2.5 bulk lbs./Acre of our Knee Hi Wildflower mix

Native #2	
PLS lbs./Acre	Item
4.0	Little Bluestem
3.5	Sideoats Grama
1.0	Sheep Fescue
0.5	Blue Grama
0.25	Sand Dropseed

The functionality of the mix will remain unchanged, however the mix composition and percentages of individual species may vary depending upon seed availability.
