

NATIVE MIX #1

Tall Native Prairie Grass

Native Mix #1 – Tall Native Prairie Grass

Transform your landscape with Native Mix 1, a carefully selected blend of native grasses that thrive in full sun and dry soils. These low-maintenance grasses are drought-tolerant and deeply rooted, helping to conserve water, improve soil health, and prevent erosion. The mix creates a visually striking prairie with varying plant heights that offer texture, movement, and shelter for wildlife..

Native #1		
PLS lbs./Acre	Item	Height
2.0	Big Bluestem	4-8 Feet
1.5	Indiangrass	3-6 Feet
1.5	Little Bluestem	2-4 Feet
1.5	Sideoats Grama	1.3 Feet
1.0	Western Wheatgrass	2-3 Feet
0.5	Switchgrass	3-6 Feet

Native Mix 1 Plus includes an added Midwest wildflower mix for added biodiversity and beauty.
